

# FROM INDEX CARDS TO PYTHON: FINDING THE 'MISSING LINK'

12 September 2017, Marysa Demoor

# SERIAL PUBLICATIONS I WAS INVOLVED WITH

1. *Atheneum* Index (City University, London and Ghent University) Initiator: Oscar Wellens
2. NCSE (Birkbeck College) Director Laurel Brake
3. *DNCJ* (Ghent University and Birkbeck) initiator  
Marysa Demoor
4. Small PhD project on hybrid form of annual anthology and periodical (*Wheels*) that will be going online.

# CAVEATS

- Make sure there is money for legacy/maintenance.
- Take into account the rapid change in the digital world.  
Data management comes in here.
- Make sure that original research collaborators guarantee that they'll continue their involvement with the project even if only by leaving their address and contact details.

# PERSONAL NOTE

- Try to involve senior scholars by briefly explaining the methodological steps taken when presenting a new project or ongoing research.
